Squadron Fundraisers and Dues

In place of annual dues, the squadron requires all cadets to sell a **minimum for 6 pizza cards each year**. The cards sell for \$10.00 each and the cadet receives \$4.00 of each card sold. The proceeds go into the cadet's account and may be used to purchase uniforms; fees for encampments, fees for flight academies, purchasing emergency services equipment or any CAP related expense. Cadets can sell more pizza cards to earn more money. The squadron receives \$4.00 from each card sold to help with our general operating expense. Each card cost the squadron \$2.00.

Some individuals may be opposed to selling the cards; in this case the cadet's family can purchase the cards for personal use or as a gift or alternatively a check to the Squadron for \$25 will fill the dues obligation.

The cadet and the cadet's parent or guardian are requested to sign this letter indicating they have read and understand the content of this letter
